ABOUT US

WEIMER BEARING & TRANSMISSION EST. 1926

Since 1926, Weimer Bearing & Transmission has grown from a single-location industrial engineering firm to one of the largest, privately held suppliers of mechanical, electrical, pneumatic and hydraulic products in the Midwest. With 40+ stocking locations in 13 states, we strive to serve our customers with local stock and technical expertise.

OUR MICHIGAN LOCATIONS

With a strong presence across Michigan, our locations provide comprehensive industrial distribution services and specialized solutions. Our full-service conveyor belt fabrication facility sets us apart, offering custom capabilities designed to efficiently meet the specific needs of our customers. By joining forces with Northern Industrial Supply, RPM, MPT Drives, MRT, and Conveyall, we've established an operational network that brings experience and resources to every corner of the state.
